### WRITING: Names & Letters

We are sliding down to the end of the alphabet (Capital) letters. We have learned how to write many of our capital letter. Please remember to reinforce your child how to write their name with one capital letter and the rest lowercase.

Now this is a website to MOOOOOOO about!

### MATH: Numbers & patterns

Counting to 50 as well learning how to write them correctly. We also are working on shapes, patterns, sorting, and tally marks.

## Study Island

### SCIENCE/SOCIAL STUDIES THEMES:

Week 1- Farm

Week 2- 5 sense

Week 3 & 4- Thanksgiving

This website we work on at school for reading and math. There are games to play. Your child can use it at home by login on using the password I sent home about two weeks ago. If you need the information, please send a note asking.

## News from the Teacher:

We have a new special friend to our room. Mrs. Burns is our student teacher from Bloomsburg University. She comes to us after a prior placement in 4<sup>th</sup> Grade at the Intermediate School. Also, we are sad to see our classroom aide, Mrs. Murphy, leave. She now is working as a substitute teacher for our district.

## Monthly Words

We will begin to practice these by identifying the first letter and find them in our reading.

is      love      at      an  
do      you      a      l
